BIOLOGICAL SEQUENCE STATEMENT OF IDENTITY

Commissioner for Patents
Washington, D.C. 20231

Sir:

This is a Biological Sequence Statement of Identity as required by the PCT Administrative Rules, Annex C. A new PCT application was deposited on August 7, 2002 based on US 09/924,981 sent to Box PCT, Commissioner for Patents, Washington D.C. 20231, Express Mailing Label No. EL399573844US. A paper copy of the Biological Sequence Listing was submitted in that patent application, together with a photocopy of the diskette containing the Computer-Readable Form (CRF) of the Sequence Listing. Enclosed herewith and being mailed to Box Sequence, Commissioner for Patents, P.O. Box 2327, Arlington, VA 22202 is an identical copy of the paper copy of the Biological Sequence Listing and the original CRF. Please use the Paper Copy of the Sequence Listing filed with the original PCT application papers as the record copy of the Biological Sequence Listing. The copy

provided herewith is merely to assist the Patent Office personnel dealing with the CRF to confirm the identity of the paper and CRF copies of the Sequence Listing. It is hereby stated that the information recorded in computer readable form is identical to the written sequence listing (both the copy enclosed herewith and the original filed August 7, 2002 with the original PCT application papers). Furthermore, the information recorded in computer readable form is identical to the Sequence Listing filed with the priority patent application, U.S. Patent Application Serial No. 09/924,981 on August 7, 2001.

Respectfully submitted,

Shannon L. Nebolsky, Reg. No. 41,217
